Phantom)

Night time sharpens

heightens each sensation...

Darkness wakes

and stirs imagination

Silently the senses

abandon their defences

Helpless to resist

the notes I write

For I compose

the music of the night...

Slowly, gently

night unfurls its splendour.

Grasp it, sense it -

tremulous and tender

Hearing is believing

music is deceiving

Hard as lightning

soft as candlelight

dare you trust

the music of the night...

Close your eyes
for your eyes will only tell the truth
And the truth
isn't what you want to see.
In the dark
it is easy to pretend
that the truth
is what it ought to be.
Softly, deftly
music shall caress you...
Hear it, feel it
secretly possess you...
Open up your mind
let your fantasies unwind
in this darkness which
you know you cannot fight -
the darkness of
the music of the night...
Close your eyes
start a journey through a
strange new world!
Leave all thoughts
of the world
you knew before!
Close your eyes

and let music set you free...

Only then

can you belong to me...

Floating, falling

sweet intoxication!

Touch me, trust me

savour each sensation...

Let the dream

begin

let your darker side

give in

to the power of

the music that I write -

the power of

the music of the night...

You alone

can make my song take flight -

help me make

the music of the night...

Come we must return -

those two fools

who run my theatre

will be missing you
