Suburban, Excursion, that Tahoe, that 'llac truck
Fuck it a bucket, a Delta, a Cutlass

How much your paint cost? Look like it just got rained
on
Tell me this when you stop do your rims stop or they

Your Nissan, your Neon, your old man Caprice own

You finna take off them twenties and put them big 23's
on

Watchin' the latest DVD's with the TV's on
It's hot AC in winter can turn your heat on
You hear them loud pipes as soon as you put your feet
on
Bicycles, motorbikes, whatever you on the street on

How you ridin'? Leather seats TV's with the beat too
How you ridin'? Gettin' bent behind tint you can't see
through
