I'll be missin' you  
Hello, Young Savage  
What you doin'? Trill Ent  
I'll be missin' you, I'll be missin' you  
Webbie

I ain't been home but a few days, I miss you  
I know you do, I ain't gon' lie, I miss you too  
Come on kiss me through the phone, I'ma kiss you too  
Now I'ma hit you in a minute, gotta get this loot

Girl, we got us somethin' special, I know it ain't nothin'  
better  
You can trust me 'cause I'm tellin' ya, I don't want  
nothin' else  
You get lonely, you can just use the pictures up on the  
dresser  
I ain't never think a woman could have me this lil'  
feelin'

Girls'll walk up on me, flirtin', I be tellin' 'em, "Nah, I'm  
chillin"  
Hug you tight, go to sleep, just to squeeze you like my  
lil' pillow  
Then I wake up Monday mornin', don't come back till  
Friday  
And my whole 'nother whip, sittin' on 6's with tinted  
windows

Baby phat bags, all the purses with matchin' slippers,  
you done heard  
I fucked this dumb bitch, now you mad trippin'  
Tears in ya eyes, yellin' you tired of my fast livin'  
I'm just happy for to see ya, goddamn, I miss you

Since you went away, I've been down and lonely  
Since you went away, I've been thinkin' of you  
Ooh, I'm missin' you, ooh, I'm missin' you

From rags to riches, if that shit was to hit me again  
I'd have to bring you with me again  
It done been a lot of stuff I found myself in

And you stuck by a nigga like my left hand

It wasn't all this at first, till we just kept prayin'  
Now I'm on, you a bad ass bitch, yes, ma'am  
And oh yes ma'am, as soon as I get home it's gon' be  
work time  
And you know us, we like to fuck like it's the first time

You tell the first time for some reason  
I knew that I was stayin' and I figured you wasn't leavin'  
I know that I don't need ya but be feelin' like I need ya  
When it come to certain people, I act like I got a meetin'

But I just wanna please ya, trust me, they just wanna be  
ya  
Whenever I ain't with ya, baby, I can't wait to see ya  
I gotta keep it G and say I love ya, 'cause I'm for real  
Now what's with all the tears? We been doin' this shit  
for years

Since you went away, I've been down and lonely  
Since you went away, I've been thinkin' of you  
Ooh, I'm missin' you, ooh, I'm missin' you  
Ooh, I'm missin' you, ooh, I'm missin' you

Ya, everything I need, couldn't have asked for more  
Boy, you know you were waitin' for  
I know you wonder why I'm standin' at the door  
To let you know, I miss you

And you can see it in my eyes  
You're the completion to my life  
Ain't even a question, you already know  
But I'll remind you that, I miss you, ooh  
I miss you, baby, ooh  
(Ooh)

I'll miss you baby  
(Ooh, I'll be missin' you)  
I'll miss you baby, ooh  
(I'll be missin' you)  
I'll miss you  
(Ooh, I'll be missin' you)  
Ooh

Ooh  
(Ooh)  
I'll miss you, I'll miss you baby  
(Ooh)

(Ooh)

I'll be missin' you, I'll be missin' you  
(Ooh)  
I'll be missin' you
