Headlights shinin' on my dubs while I'm swervin'
I keep an old pistol on my lap while I'm swervin'
Just in case I have to peel a cap while I swerve'
I play the six by nine's with the slap while I'm swervin'
I gotta have the killa and the yak while I'm swervin'

This for my dogs in penitentiary, in the pen
Who holla shit like gutter gutter when you mention me
And Hennessy, man that hen got me swervin' crazy
I saw a dime turned my head and almost hit a lady
Slow down baby, with lil' bleet hollerin' in the back

I'm in my STS lil Jr. in my other lac, don't fuck with Hatch
'Cause I'll hit you with that Nina Ross
It's on your head bitch, you dead, I'll pay the cost
'Cause I'm a boss in the South side of Baton Rouge
Where niggaz swervin' on them twenty's and them
twenty-two's

We act a fool, back in the game I used to go to dreams
In my firebird on them choppers with them fuckin'
screens
Sippin' that lean, actin' like I never had shit
Bust your head in traffic, I'll wrap you up in plastic
Show your ass magic, abrah kadabrah kadoo here go
