I just gotta keep it stinkin', you must don't know where I
been hangin'
Gotta get all of this money, only thing that I've been

I know one day God gon' take me, when He take me,
He gon' take me

I been smokin', I been drinkin' so excuse my language
I just gotta keep it stinkin', you must don't know where I
been hangin'
Gotta get all of this money, only thing that I've been

I know one day God gon' take me, when He take me,
He gon' take me

Nigga, know I'm thuggin' and I love it put a nigga in a

With dem chargers behind us niggas, know we all be

Gotta feed my babies so I whip it, whip it over the stove
I got my mask 'cause I'm whippin' 50
Choppas flyin' in that bottom and you be get it
I'm bustin' four niggas head
Behind my fuckin' bitches waitin' on dem otha niggaz

Hotboyz got four four's to the Stopboyz
A middle finger to the cop cars, outlaws
Fifty thousand on my necklace when I come from Texas
Fresh off the line, then I dress and on my whip sexy

Well connected, I fuck with niggaz well respected
Who beasts' in their section, known for teachin' niggas
lesson
I'm real I want change, I'm thugged out til my casket

I just gotta keep it stinkin', you must don't know where I
been hangin'
Gotta get all of this money, only thing that I've been

I know one day God gon' take me, when He take me,
He gon' take me

I been smokin', I been drinkin' so excuse my language
I just gotta keep it stinkin', you must don't know where I
been hangin'
Gotta get all of this money, only thing that I've been

Do my thing with mouse and shell, then I'm probably in

If they got big money but I'm aimin' for more doe

Think I'm a stop thuggin' in these streets, that's a no,

Before you try to knock me, I'ma stop you with that 44

Break the rule I got that tool, man don't let them haterz

And anybody could get it, whoa then that's how we
comin'

When you rappin' and you rollin', and you jiggin' out

If you thuggin', nigga play it, bust ya shit straight off

Gotta play it how it go, walk how you talk it
Shell bo thuggin', keep it gangsta from tha struggle to
tha cost
