I got me a room  
In a cheap hotel  
My head was a spinnin'  
And I didn't feel well

I laid right down  
And tried to go to sleep  
A band kept a playin'  
In a joint underneath

I picked up my pillow  
And I covered up my head  
But the band kept a playin'  
And a shakin' my bed

Honky tonk all night long  
Honky tonk, same old song  
Honky tonk, my money's all gone  
Honky tonk, she done me wrong

I turned and I tossed  
And I couldn't go to sleep  
'Cause the band kept a playin'  
With a honky tonk beat

Well, I'm so blue  
My baby's gone  
She took all my money  
And left me all alone

I'm tryin' to forget her  
But I don't know what to do  
The honky tonk song  
Keeps a leakin' through

I picked up my pillow  
And I covered up my head  
But the band keeps a playin'  
And a shakin' my bed

Honky tonk all night long  
Honky tonk, same old song

Honky tonk, my money's all gone  
Honky tonk, she done me wrong

I turned and I tossed  
And I couldn't go to sleep  
'Cause the band keeps a playin'  
With a honky tonk beat
