If you were me and I were you and I should do the  
things you do  
Would you still love the way I keep on loving you  
Of all the times you've been untrue if I should be the  
same by you  
Just tell me now what would you do if you were me and I  
were you  
[ fiddle - steel ]  
Someday my love may grow cold then I'll love you no  
more I know  
Think of all the unkind things you said and done  
But I still love you even though your love for me you'll  
never show  
Just tell me now what would you do if you were me and I  
were you  
If you were me and I were you...
