If you were me and I were you
And I should do the things you do
Would you still love
The way I keep on lovin' you

Of all the times you've been untrue
If I should be the same by you
Just tell me now what would you do
If you were me and I were you

Someday my love may grow cold
Then I'll love you no more I know
Think of all the unkind things
You said and done

But I still love you even though
Your love for me you'll never show
Just tell me now what would you do
If you were me and I were you

If you were me and I were you
And I should do the things you do
Would you still love
The way I keep on lovin' you

Of all the times you've been untrue
If I should be the same by you
Just tell me now what would you do
If you were me and I were you
