If you were me and I were you  
And I should do the things you do  
Would you still love  
The way I keep on lovin' you

Of all the times you've been untrue  
If I should be the same by you  
Just tell me now what would you do  
If you were me and I were you

Someday my love may grow cold  
Then I'll love you no more I know  
Think of all the unkind things  
You said and done

But I still love you even though  
Your love for me you'll never show  
Just tell me now what would you do  
If you were me and I were you

If you were me and I were you  
And I should do the things you do  
Would you still love  
The way I keep on lovin' you

Of all the times you've been untrue  
If I should be the same by you  
Just tell me now what would you do  
If you were me and I were you
