We're trav'ling down two different roads in world so far
apart

You want me yet there's something else before me in
your heart

You're wanting me to change my life the way you're
living yours

But I can't change, I see no way you wanted me before

If you don't want me like I am then please don't pity me

If you can't change a little bit then why not set me free

If we can't live together dear it's best we live apart

You'll go your way and I'll go mine, we'll both make
brand new start

There's nothing I can say, it seems we'll never get
along

With you believing like you do you to say I live so wrong

But I can't change my way of life, I've lived it much too
long

You'll have to take me like I am or I'll go on alone

So either say you want my love or take the way you live

Remember though before you get you gotta learn to
give

So if it change my life or go then go it's gonna be

'Cause I can't change my life when you want something
more than me
