I've got what it takes to be your love  
A gift of gab and a velvet touch  
I got a bankers bank roll in my pocket  
I'll let you drive my... road rocket

Little girl your what I need  
You hit my hot spot yes indeed  
You fire me up now there's no doubt  
Now it's a flame I can't put out

I'm burning for ya baby  
Condition red  
I got a fever for ya baby  
I got a bumble bee inside of my head  
A bumble bee inside of my head

My cloths stand out in a crowd  
The girls can't see ya  
If ya don't dress loud  
Now I'm not handsome  
But what I lack in looks  
I compensate for in the  
Way I hoochie cooch

You like daning?  
Well hold my coat  
I can flop like a fish  
In the bottom of a boat  
My beat is rocking I'm a  
Rocking fool  
They warned you about me  
In bible school

I'm burning for ya baby  
Condition red  
I got a fever for ya baby  
I got a bumble bee inside of my head  
A bumble bee inside of my head

Little girl your what I need  
You hit my hot spot yes indeed

You fire me up now there's no doubt  
Now it's a flame I can't put out

I'm burning for ya baby  
Condition red  
I got a fever for ya baby  
I got a bumble bee inside of my head  
A bumble bee inside of my head

I got a bumble bee inside of my head  
A bumble bee inside... of my head
