I'm wise to you, baby
I'm not too blind to see
You're steppin' on my feelings
You're messin' over me

I got inside information
That you're out on the loose
I been workin' undercover, girl
Now I got the proof

I'm wise to you, baby
You been lying to your man
And I'll do without your loving
Before I'll take it second hand

I'm wise to you, baby
It's so plain to see
I read you like a headline
You ain't foolin' me

I know in advance
Every move you make
I'll be standin' right behind you
When you make your next mistake

I'm wise to you, baby
You been lying to your man
Yes and I'll do without your loving
Before I'll take it second hand

I'm wise

I'm wise to you, baby
I'm not too blind to see
You're steppin' on my feelings
You're messin' over me

I got inside information
That you're out on the loose
I been workin' undercover, girl
Now I got the proof

I'm wise to you, baby
You been lying to your man
And I'll do without your loving
Before I'll take it second hand

I said I'm wise
And I got eyes
And I see everything
Everything

I'm wise
I'm wise to ya
