I'll live every day for you  
I'll breath ever breath for you  
And if I'm mean and make you blue  
It's my way of loving you

If I say that you're untrue  
And it breaks your heart in two  
I can't help these things I do  
It's my way of loving you

Try to understand my love look into my heart  
Can't you see I'd want to die if we'd ever part  
All my life I'll love you so there'll be times it may not  
show  
That my love for you is true, it's my way of loving you

Try to understand my love look into my heart  
Can't you see I'd want to die if we'd ever part  
All my life I'll love you so there'll be times it may not  
show  
That my love for you is true, it's my way of loving you
