Well a little bitty tear let me down spoiled my act as a clown  
I had it made up not to make a frown oh but a little bitty tear let me down

When you said you were leaving tomorrow that today was our last day  
I said there'd be no sorrow that I'd laugh when you walked away  
But a little bitty tear let me down...

I said I'd laugh when you left me full of funny as you went out the door  
That I'd have another was a waiting I'd wave goodbye as you go  
But a little bitty tear let me down...  
[ steel ]  
Everything went out like I planned it and I really put on quite a show  
In my heart I felt I could stand it till you walked with your grip through the door  
Then a little bitty tear let me down...  
A little bitty tear let me down a little bitty tear let me down
