Had our number changed today although I hated to  
But each time the phone would ring they'd want to  
speak to you  
And it hurts to tell them you're not here with me  
Maybe now oh telephone will let me be  
It's not in the book so now you'd better write it down  
Just in case your love for me should ever come around  
You might want to call and break the news to me just  
call Lonesome 7-7203  
[ piano ]  
Oh I keep the telephone beside me all the time  
Hoping you might want to call and say you're changed  
your mind  
If you do then darling you know where I'll be I'm at  
Lonesome 7-7203  
You're the only one I'm giving out new number to  
So now if the telephone should ring I'll know it's you  
If you ever long for love that used to be just call  
Lonesome 7-7203
