I sit here every day
Staring at the sky
Ever wondering why
I've dreamed my dreams away
I'm living for today
In my mind's eye

People rushing everywhere
Rushing through my life
I couldn't give a care
Because they'll never see
All that I can see
In my mind's eye

Everybody I know says I'll change, yeah
Laughing behind their hands
They think I'm strange

Things are clearer than before
Asking me to stay
Showing me the way
I'll never close the door
To all these things and more
In my mind's eye

Everybody I know says I'll change, yeah
Laughing behind their hands
They think I'm strange

Things are clearer than before
Asking me to stay
Showing me the way
I'll never close the door
To all these things and more
In my mind's eye
