"Poison Love"

Visit "[Poison Love](#)" on MotoLyrics.com

All your poison love has stained the life's blood in my
heart and soul, dear
And I know my life will never be the same
All my pleas and prayers have been in vain for you and
you alone, dear
And you know that you are guilty of a shame

Into each life a love is born for one and one alone, dear
The love I chose was surely not for me
But still my heart cries out for you and you alone, my
darling
And my better judgment tells me to say no

All your poison love has stained the life's blood in my
heart and soul, dear
And I know my life will never be the same
All my pleas and prayers have been in vain for you and
you alone, dear
And you know that you are guilty of a shame
