After the war was over I was coming home to you  
I saw a rainbow at midnight out on the ocean blue  
The stars in heaven were shining the moon gave its  
light from above  
I saw your face in this rainbow it made me think of our  
love  
[ piano ]  
We'll build our home in the country and make all our  
dreams come true  
There we will make a heaven sweetheart just for we two  
Here we will live so happy and have a baby or two  
We'll name them after this rainbow because it reminds  
me of you  
After this life is over and our journey here is through  
We'll move to the land of this rainbow and live in the  
stary blue
