Well yeah, this is my apartment
I hope you like it, I just decorated it myself
Well yeah, I read most of them
I prefer reading... bios novels got'em all on the shelf
You wanna see my etchings?
After all your looking so fetching
No that's the phone let the machine get it
It's probably Peter and Gabriel or somebody
Ballet? huh well only when nude women are dancing
Could I offer you something to drink? whatta think?
Are you SURE you wouldn't like to check out those
etchings?

Scattered smothered covered in love
Comin' down all around like a light from above
Scattered smothered covered in love
It keeps knockin' me down but I keep gettin' back up

Awww do you need some space?
I gotta tell ya you strike me as a fine young intelligent
girl
Old fashioned with new age values awwwww
What I value most is a vibey stimulating conversation
Delayed gratification because every thing is great
But I wanna make this date just right and if I have to
hesitate
It don't bother me baby
'Cause I know in time you will find that my mind is

Scattered smothered covered in love
Comin' down all around like a light from above
Scattered smothered covered in love
It keeps knockin' me down but I keep gettin' back up
Awww baby don't change your mind
I know your a little touchy but I'll take my time

Awwwww my God your a tigress

Aww did you see colors... flippy
That's right I felt the earth move
That's right baby we're both in the groove

It's gettin' kinda square around here
Lets go diggin' to my favorite goup... Acres Of Suede
Some big cats who play the sounds of well...
everything... you know...
New wave
Lets rok and sok that's right baby it's a night for love
Lets kick up some sand
Come on baby just groove
Make the scene you knwo what I mean cause I...

I was scattered smothered covered in love
I was scattered smothered covered in love
I was scattered smothered covered in love
Said hey Lordy momma from Heaven above well
I was scattered smothered covered in love
I was scattered smothered covered in love
I was acattered smothered covered in love
Scattered smothered covered in love
