Send me the pillow that you dream on don't you know  
that I still care for you  
Send me the pillow that you dream on so darling I can  
dream on it too  
Each night while I'm sleeping oh so lonely  
I share your love in dreams that once were true  
Send me the pillow that you dream on so darling I can  
dream on it too  
[ steel ]  
I've waited so long for you to write me but just a  
mem'ry's all that's left of you  
Send me the pillow that you dream on so darling I can  
dream on it too
