PAIN, BIG PAIN keeps right on hurting me you left me  
lonely as a boy can be  
I'VE GOT TO smile so it don't show but everybody  
knows I'm wearing the smile of a clown  
Laugh clown laugh clown I THINK that's what they say  
oh how long can I go on this way  
Telling jokes all over town knowing all the while I'm  
wearing the smile of a clown  
Sure I'm laughin' laughin' to keep from cryin' cryin'  
But I'm just hidin' hidin' the hurt you left my darlin'  
Why oh why must I go on this way you left me lonely  
only yesterday  
I look in the mirror dear saw a face and a tear wearing  
the smile of a clown  
Sure I'm laughin' laughin'...  
I'm wearing the smile of a clown
