Your cheating past I knew when I fell in love with you
But I thought that I could help you change your ways
But memories in time keep burning on your mind
Sooner or later you're gonna fall back to the cheating
kind
Yes I know I'm losing you and there's nothing I can do
I know I'm about to give you up someday
Cause somewhere down the line your heart will fall
behind
When your past starts calling you'll start falling back to
the cheating kind
[steel - fiddle]
Yes I know I'm losing you...
Back to the cheating kind back to the cheating kind
