This night world is full of secondhand sensations and
designer decay
There's just too many adult situations, not a place for a
child to play
So if all you want from love is a temporary buzz, get out
of my way
'Cause I'm trying to find the deep-down kind
And a quick fix ain't worth the time it takes

I'm lookin' for a soul mate
I'm lookin' for a heart that beats in time with mine
Soul mate
If you're not a solid sender, then you're not my kind

They make a state-of-the-art artificial heart
But it's just a clever fake
And you know it's a shame, this heart that's Heaven-
made
Is such an easy thing to break
So I handle mine with care, and I wonder do I dare
Take a chance, take a leap of faith
'Cause not everyone has an angel of their own
And I need someone

I'm lookin' for a soul mate
I'm lookin' for a heart that beats in time with mine
Soul mate
If you're not a solid sender, then you're not my kind

No one can stand alone
I need love to grow on

(Instrumental)

I'm lookin' for a soul mate
I'm lookin' for a heart that beats in time with mine
Soul mate
If you're not a solid sender, then you're not my kind

Soul mate
I'm lookin' for a...

Soul mate
Soul mate
If you're not a solid sender, then you're not my kind
