I'm tellin' you young girls
Stay out of these automobiles
I'm warning you young girls
Stay out of these automobiles
You'll do something wrong
Yes and I know you will

You'll do something wrong
Baby and I know
You'll do something wrong
Baby and I know
See what happened to Ellie?
She can't work no more

You start out ridin'
Somewhere on the road you'll stop
You start out ridin'
Somewhere on the road you'll stop
You make a little lovin'
And that's when you blow your top
Well alright!

Well I told my baby in 1985
She'd still be livin' if she didn't wanna ride!
I'm tellin' you young girls
Stay out of these automobiles
You'll do something wrong
Yes and I know that you will

Hey!

Awww look out for them
Backseat drivers!
I got a tip
A tip for tease
Aww that's right
Auto-amore
Hahahaha yeah
You know what I'm talkin' about

I'm warning you young girls

Stay out of these automobiles
I'm warning you young girls
Stay out of these automobiles
You'll do something wrong
Yes and I know you will

Aww I know it's hard
Better eject

Park it.
