There's more pretty girls than one there's more pretty
girls than one
Every town I ramble around there's more pretty girls
than one

Well I am a rambling man I done roam this world
around
I've always been a rounder boy since my girl turned me
down
There's more pretty girls than one...

Now listen all you rounders let me tell you what you'd
do
Don't fall in love with a pretty little girl unless you know
she's true
There's more pretty girls than one...
(There's more pretty girls than one yeah yeah)
