Yes I know I've been untrue and I have hurt you through
and through
But please have a mercy on this heart of mine
Take me back and try me one more time
If my darling you could see just what your leaving done
to me
You'd know that love is still a tie that binds
Take me back and try me one more time
[guitar]
In my dreams I see your face it seems there's someone
in my place
But does he know that you were once just mine
Take me back and try me one more time
If you'll just forgive me now I'll make it up to you
somehow
I'll promise never again to be unkind take me back and
try me one more time
