You can talk a blue streak baby  
And make the words sound so right  
Still, I wonder, did you call me  
Just to keep me up all night?

Why do you call?  
Why do you call?  
You kept me hangin' long enough  
Now you just hang me up

I told you how it had to be  
If we were going to get along  
But you were too half-hearted baby  
To make our love strong

Like a blast from the past  
Your voice, it gives me the shakes  
But like a ghost, you keep showin' up  
For appearance's sake

Why do you call?  
Why do you call?  
You kept me hangin' long enough  
Now you just hang me up

We could have had it good  
But you wouldn't make up your mind  
I know love is give-and-take,  
But all you took was your time

(Instrumental)

We could have had it good  
But you wouldn't make up your mind  
I know love is give-and-take,  
But all you took was your time

Well, you paint a pretty picture baby  
But all I'm drawing is a blank  
Mixed signals are confusing  
Mixed drinks? No thanks!

Why do you call?  
Why do you call?  
You kept me hangin' long enough  
Now you just hang me up

Why do you call?  
Why do you call?  
You kept me hangin' long enough  
Now you just hang me up
