Your good for nothing heart won't ever let to start
Loving someone who would forever be true
You don't know what you want it's plain and you're
driving me insane
As you go cheating cheating cheating round on me
Your good for nothing heart I can't have any part
Now your love it seems cause I'm never in your dreams
Oh but someday you're gonna cry you'll be lonely by
and by
You won't think you're smart then with your good for
nothing heart
[fiddle - piano]
Your good for nothing heart...
