Enter newborn players and gather
Weight their innocence
Only the brightest shine
But not forever
Many lights die
Many tears rain
When those tears run dry
On a mountain madness day
You were just in time
For a foolish deal for love I sold
Can't stand another howling day
Inside this empty skin
While the beacons burn
I'll say
Await return
From so far away
One life with the devil do I play
For so long
El diablo is to blame
Oh...
Oh el diablo, el diablo
Won't you sell me back my soul
Oh el diablo, el diablo
Won't you sell me back my soul
Wedding is on the wind
Does she blow my way
She can dance and she can sing
She will tear your heart away
While the promise burns
I'll stay
And you will return
From so far away
One life within the devil do I play
It's been for so long
El diablo is to blame
One life but the devil is in my way
Oh...
Oh el diablo, el diablo
Won't you sell me back my soul
Oh el diablo, el diablo
Won't you sell me back my soul
