Said your name in an empty room
Said your name in an empty room
Something I would never do
Said your name in an empty room
Said your name in an empty room
Something I would never do
I'm alone again
When I'm by myself I can be myself
And my life is coming but I don't know when
You were burning now you're black & grey
You were burning now you're black & grey
Something I would never say
I'm alone again
When I'm by myself I can be myself
And my life is coming but I don't know when
Toute ma vie est avec toi
Toute ma vie est avec toi
Moi j'attends, toi tu pars
Toute ma vie est avec toi
Toute ma vie est avec toi
Moi j'attends, toi tu pars
