Oh Horn of Plenty!
A Horn of Plenty for us all!
And when you raise the cry,
The brave shall heed the call,
And we shall never falter.
One Horn of Plenty for us all!
Oh Horn of Plenty!
The Horn of Plenty overflows!
And when you raise the cry,
The brave shall heed the call,
And we shall never falter.
One Horn of Plenty for us all!
Oh Horn of Plenty!
The Horn of Plenty overflows!
And when you raise the cry,
The brave shall heed the call,
And we shall never falter.
Oh Horn of Plenty for us all!
Oh Capitol,
Your glorious diamond shine.
A tribute to
The darkest days behind.
One Horn of Plenty for us all!
