I like the peace  
in the backseat,  
I don't have to drive,  
I don't have to speak,  
I can watch the country side,  
and I can fall asleep.

My family tree's  
loosing all it's leaves,  
crashing towards the driver's seat,  
the lightning bolt made enough heat  
to melt the street beneath your feet.

Alice died  
in the night,  
I've been learning to drive.  
My whole life,  
I've been learning.

I like the peace  
in the backseat,  
I don't have to drive,  
I don't have to speak,  
I can watch the country side

Alice died  
in the night,  
I've been learning to drive.  
My whole life,  
I've been learning.
