They heard me singing and they told me to stop  
Quit these pretentious things and just punch the clock  
These days my life I feel it has no purpose  
But late at night the feelings swim towards the surface  
'Cause on the surface the city lights shine  
They're calling at me "Come and find your kind"  
Sometimes I wonder if the world's so small  
That we can never get away from the sprawl  
Living in the sprawl  
The dead shopping malls rise like mountains beyond  
mountains  
And there's no end is sight  
I need the darkness someone please cut the lights!  
We rode our bikes to the nearest park  
Sat under the swings and we kissed in the dark  
You shield my eyes from the police lights  
We run away, but we don't know why  
In the Black river, your city lights shine  
They're screaming at us "We don't need your kind!"  
Sometimes I wonder if the world's so small  
That we can never get away from the sprawl  
Living in the sprawl  
The dead shopping malls rise like mountains beyond  
mountains  
And there's no end is sight  
I need the darkness someone please cut the lights!  
They heard me singing and they told me to stop  
Quit these pretentious things and just punch the clock  
Sometimes I wonder if the world's so small  
Can we ever get away from the sprawl?  
Living in the sprawl  
The dead shopping malls rise like mountains beyond  
mountains  
And there's no end is sight  
I need the darkness someone please cut the lights!  
I need the darkness someone please cut the lights!
