Hey!

Hey!

We know a place where no planes go

We know a place where no ships go

Hey!

No cars go

Hey!

No cars go

Where we know

We know a place where no spaceships go

We know a place where no subs go

Hey!

No cars go

Hey!

No cars go

Well we know

Wew!

Go!

No go!

Hey!

Us kids know

Hey!

No cars go

Well we know!

Wew!

Between the click of the light and the start of the  
dream

Between the click of the light and the start of the  
dream

Between the click of the light and the start of the  
dream

Between the click of the light and the start of the  
dream

Little babies?

Let's go!

Women and children?

Let's go!

Old folks?

Let's go!

Don't know where we're going

(Long harmonic voice solo)
