"The Suburbs"

In the suburbs I
I learned to drive
And you told me we'd never survive
Grab your mother's keys we're leavin'

You always seemed so sure
That one day we'd fight in
In a suburban world
your part of town gets minor
So you're standin' on the opposite shore
But by the time the first bombs fell
We were already bored
We were already, already bored

Sometimes I can't believe it
I'm movin' past the feeling
Sometimes I can't believe it
I'm movin' past the feeling again

Kids wanna be so hard
But in my dreams we're still screamin' and runnin'
through the yard
And all of the walls that they built in the seventies
finally fall
And all of the houses they build in the seventies finally
fall
Meant nothin' at all
Meant nothin' at all
It meant nothin

Sometimes I can't believe it
I'm movin' past the feeling

Sometimes I can't believe it
I'm movin' past the feeling and into the night

So can you understand?
Why I want a daughter while I'm still young
I wanna hold her hand
And show her some beauty
Before this damage is done

But if it's too much to ask, it's too much to ask
Then send me a son

Under the overpass
In the parking lot we're still waiting
It's already passed
So move your feet from hot pavement and into the
grass
Cause it's already passed
It's already, already passed!

Sometimes I can't believe it
I'm movin' past the feeling
Sometimes I can't believe it
I'm movin' past the feeling again

I'm movin' past the feeling
I'm movin' past the feeling

In my dreams we're still screamin'
We're still screamin'
We're still screamin'
