Hey, the streetlights all burn out
Une annee sans lumieres
Je monte un cheval
Qui porte des oeilleres

Hey, my eyes are shooting sparks
La nuit, mes yeux t'eclairent
Ne dis pas a ton pere
Qu'il porte des oeillieres

Hey, your old man should know
If you see a shadow
There's something there

So hey, my eyes are shooting sparks
La nuit mes yeux t'eclairent
Ne dis pas a ton pere
Qu'il porte des oeillieres

Hey, your old man should know
If you see a shadow
There's something there

Hey, give it to her, she's in love, give her
She got love, c'mon give it to her
Give it to her, c'mon give it to her
Give it to her, c'mon give it to her
Give it to her
