Last night your shadow fell upon my lonely room
I touched your golden hair and tasted your perfume
Your eyes were filled with love the way they used to be
Your gentle hand reached out to comfort me, ahhhh...
Then came the dawn and you were gone
You were gone, gone, gone
I had too much to dream last
Too much to dream
I'm not ready to face the light
I had too much to dream
Last night, last night
The room was empty as I staggered from my bed
I could not bear the image racing through my head
You were so real that I could feel your eagerness
And when you raised your lips for me to kiss
Came the dawn and you were gone
You were gone, gone, gone
I had too much to dream last night
Too much to dream
I'm not ready to face the light
I had too much to dream

Last night, last night

Oh, too much to dream

I had too much to dream

Ahhhhh...

I had too much to dream last night

Oh too much to dream

I'm not ready to face the light

I had too much to dream last night

Last night, last night

Oh too much to dream

Oh too much to dream

I had too much to dream

I had too much to dream

I had too much to dream

Too much to dream

Too much to dream

Too much to dream
