I'm wise to you, baby  
I'm not too blind to see  
You're steppin' on my feelings  
You're messin' over me

I got inside information  
That you're out on the loose  
I been workin' undercover, girl  
Now I got the proof

I'm wise to you, baby  
You been lying to your man  
And I'll do without your loving  
Before I'll take it second hand

I'm wise to you, baby  
It's so plain to see  
I read you like a headline  
You ain't foolin' me

I know in advance  
Every move you make  
I'll be standin' right behind you  
When you make your next mistake

I'm wise to you, baby  
You been lying to your man  
Yes and I'll do without your loving  
Before I'll take it second hand

I'm wise

I'm wise to you, baby  
I'm not too blind to see  
You're steppin' on my feelings  
You're messin' over me

I got inside information  
That you're out on the loose  
I been workin' undercover, girl  
Now I got the proof

I'm wise to you, baby  
You been lying to your man  
And I'll do without your loving  
Before I'll take it second hand

I said I'm wise  
And I got eyes  
And I see everything  
Everything

I'm wise  
I'm wise to ya
