Title: More like me

I want to be more like me
I want to be what I'm supposed to be
I want to do all the things I'm supposed to do

I want to know what's really real
Get a feel for the deal
And then I kinda got a feelin'
I won't have no feelin's for you

You meant everything to me
But now your memory won't set me free
And so I need to make peace with my feelin's for you

Cause they say that when you're dead you're done
That's a race, that's done been run
I want to have some fun
Before my time is through
