I took my Ruby rockin'
On the outskirts of town
Kicked her high heels off
And rolled her stockings down
Put a quarter in the jukebox
To get a little beat
All the people started watchin'
All the rhythm in her feet

She's my rock'n'roll Ruby, rock'n'roll
Rock'n'roll Ruby, rock'n'roll
When Ruby starts a-rockin'
Boys, it satisfies my soul, my soul

Well Ruby started rockin' 'bout one o'clock
And when she started rockin'
She just couldn't stop
She rocked on the table
And rolled on the floor
With all the people yelling "Ruby rock a little more!"

She's my rock'n'roll Ruby, rock'n'roll
Rock'n'roll Ruby, rock'n'roll
When Ruby starts to rockin'
Boys, it satisfies my soul, my soul

Aw look out

It was long about four
I thought she would stop
She looked at me and then
She looked at the clock
She said "Wait a minute Daddy
Now don't you get sore
All I want to do
Is rock a little bit more"

She's my rock'n'roll Ruby, rock'n'roll
Rock'n'roll Ruby, rock'n'roll
When Ruby starts to rockin'
Boys, it satisfies my soul, my soul

When Ruby starts to rockin'
Boys, it satisfies my soul
