Title: She said yeah

Dum deedle dee dum dum
Little girl, where did you come from
Try a little bit to make my mouth dribble
Come on baby, let's ride away in the rain

Baby you drive me crazy
Drive my poor heart hazy
Just a little bit
A little while with you
Come on baby, let's ride away in the rain

She said yeah, dum deedle dee dum dum
She said yeah, dum deedle dee dum dum
She said yeah, yeah yeah yeah
Come on baby I want to make love to you

Well you drive me crazy
dum deedle dee dum dum
My love is lazy
dum deedle dee dum dum
Little miss I want to kiss
Come on baby, won't you do what I wish

She said yeah, dum deedle dee dum dum
She said yeah, dum deedle dee dum dum
She said yeah, yeah yeah yeah
Come on baby I want to make love to you

Yeah, ow!

Well I got the feeling, dum deedle dee dum dum
In my soul, dum deedle dee dum dum
I'm gonna love you, you know
One night or another
Come on baby, let me hear you say you love me

She said yeah, dum deedle dee dum dum
She said yeah, dum deedle dee dum dum

She said yeah, yeah yeah yeah
Come on baby I want to make love to you
