Title: You can't lie to a liar

You can't lie to a liar, don't try
you, can't cheat on a cheater, I'll tell you why
you see, I lied myself before, and i think I know the
score
you don't love me anymore

you can't sin on a sinner, you're goin' to regret it
you can't fake on a faker now, you'd best forget it
you see I fooled around before, and I think I know the
score
you don't love me anymore

well, I lied and I cheated
but i never, never thought I'd have it done to me
now you've gone just as far as I'm goin' to let you go
I'm not goin' to let you make a fool of me

You can't lie to a liar, don't try
you, can't cheat on a cheater, I'll tell you why
you see, I lied myself before, and I think I know the
score
well, you don't love me anymore

well, I lied and I cheated
but i never, never thought I'd have it done to me
now you've gone just as far as i'm goin' to let you go
I'm not goin' to let you make a fool of me

You can't lie to a liar, don't try
you, can't cheat on a cheater, I'll tell you why
you see, I lied myself before, and I think I know the
score
well, you don't love me anymore

you see, I lied myself before, and I think I know the
score
well, you don't love me anymore
you see, I lied myself before, and I think I know the

score
oh, you don't love me anymore
