My thoughts are illegal ? this isn't this song!

STOP ME BEFORE I COMPOSE MYSELF!

Don't make me use this ? I can't turn it off!

STOP ME BEFORE I COMPOSE MYSELF!

I mean, no one can be both himself -- and LIVE!

STOP ME BEFORE I COMPOSE MYSELF!

I'm thinking! I'm thinking as blank as I can!

or am I just saying that?

Who is it who's saying that?

Can you really tend to forget what's true,

or was I just thinking that?

Or was I just thinking? What?

Why race to a future that's missing a now,

or did I just answer that?

We're all faster than we can catch up to, anyway.

STOP ME! STOP ME! STOP ME BEFORE I COMPOSE
MYSELF!

So you can't get a real cure ? they cost too much.

STOP ME BEFORE I COMPOSE MYSELF!

They're just gonna train you to Build-a-Dumber You.

STOP ME BEFORE I COMPOSE MYSELF!

Do you know who you're thanking for letting you live?

STOP ME BEFORE I COMPOSE MYSELF!

Am I allowed to treat myself at all anymore,

or can the doctors tell me that?

Are they allowed to tell me that?

Am I stupid to stoop to turpitude'n'torpor,

or is that just the Prozac?

(Make mine on the rocks, with a twist!)

Is it still prosaic, just with no more ?

Is that why they call it that?

They can't determine if it's a boil or a jewel.

STOP ME! STOP ME! STOP ME BEFORE I COMPOSE
MYSELF!

Are you a good witch, or a bad witch?

STOP ME BEFORE I COMPOSE MYSELF!

Are you ever gonna let me out of Kansas again?

STOP ME BEFORE I COMPOSE MYSELF!

Is your lollipop blood, breath, or Kaballah?

STOP ME BEFORE I COMPOSE MYSELF!

Could you wiz me home in that balloon of yours,

or is that just a bump on your head?

Do you think you should sell me a heart?

Is that the tornado that's talking up there,

or should I be paying attention?

Whatcha doing behind that curtain?

Isn't ritual throwing yellow bricks on your feet ?

can you hear me asking you that?

I don't think I want to be in your magic shoes.

STOP ME! STOP ME! STOP ME BEFORE I COMPOSE
MYSELF
