Every town is Dublin town  
Any town we hang around  
The thing to be for you and me  
Is Irish on St. Patricks day

Where'er you're from  
Be it Minsk or Bonn  
Come join us in our drinking song  
Chances are if you look back far  
Enough there's a paddy in your history (book)

So we'll be  
Drinking stout and arsing about  
In a place known as Ontario  
Drinking stout and arsing about  
On the rue de Tivoli  
Drinking stout and arsing about  
In the square called Tiannanman  
(man)  
Drinking stout take time out from  
Back packing in Katmandu

Every town is Dublin town  
Except for Dublin city  
On the seventeenth of march because  
The place is bloody empty

We're all  
Drinking stout and arsing about  
In Melbourne, Perth and Sydney  
Down those pints  
'til damage done  
To liver and to kidney

(break)

Drinking stout and arsing about  
As the Bangkok night gets steamy  
In Budapest we'll take on the best  
As long as the stout flows freely.

(break)

Drinking stout and scaring the cows  
On the Pampas, Argentina  
Drinking stout and arsing about  
From Brooklyn bridge we'll heave.

Every town is Dublin town  
Except for Dublin city  
On the seventeenth of march because  
The place is bloody empty

We're all  
Drinking stout and arsing about  
On the Damrak, Amsterdam  
If you once had a bike  
You'll now have to hike  
'Coz we're heading off to Cannes

Where we'll be  
Drinking stout and arsing about  
And the sunshine makes you thirsty  
Slake that thirst then take a burst  
On the streets of
