Mesmerizing point of view
Hypnotic conversations
Contemplative swinging moods
Drew me to you.

It never mattered when or where
Who you'd been with
The color of your hair
Baby, I always cared.

But you couldn't see
Inside of me
You didn't notice my intentions
Nothing but dreams
Is all that I carry
Is all that I carry with me.

Cynical attitudes
The center of attention
I wonder if you understood
You could've changed my life
Focusing my energy
Setting expectations
Trying to convince myself
She loves me.

A little look here
A little smile there
Moments and memories that we've shared
Roses and things
Silly it seems
Is all that carry
Dreams that I carry
Dreams that I carry with me.

[Background vocal line]

I never knew
What to do
To make you
To believe

In my dreams
Silly dreams.

We had no chance
Never made plans
So many things slipped through our hands.
