"A Hostage"

Fill this boy before he turns to stone
Just let me forget I beg of you
This place is damned
This place I live
Come on, come on
And there's no where safe
And there's no where here
Yeah, there's no where safe
There's no where
I'm a Hostage
I'm waiting, I'm waiting for you
I'm a Hostage
Fill this boy before he turns away
Just let him go home I beg of you
This place is damned
This place we live
Come on, come on
And there's no where safe
And there's no where here,
Yeah, there's no where safe
There's no where
I turned so far away
And I don't wanna give my heart away
I'm a Hostage
And I don't want to give my heart away
I'm a Hostage
