I heard you across the room
Over empty distracting sounds
I fell down across the ground
To pick myself up to the pace

I moved out across the states
I felt safe but I never felt home
I saw lies across her lips
But where we were wasn't where you're thinkin'

Darling I,
Haven't seen you for almost seven days
Cause you hate the way
Cause you hate the way
Cause you hate the way
I ask you (I ask you)
Are you okay?
Are you okay?
Are you okay?

I walked slow across the street
Felt your ghost or maybe just
Something could help me across the sea
How I hate these boundaries

I saw you across the room
Over empty distracting sounds
I fell down across the ground
But where we were wasn't where you're thinkin'

Darling I,
Haven't seen you for almost seven days
Cause you hate the way
Cause you hate the way
Cause you hate the way
I ask you (I ask you)
Are you okay?
Are you okay?
Are you okay?

Oh... Oh... Oh...

Darling I,
Haven't seen you for almost seven days
Cause you hate the way
Cause you hate the way
Cause you hate the way
I ask you (I ask you)
Are you okay?
Are you okay?
Are you okay?
Are you okay?
