what do you think of me
are you quite proud of this make believe
curtain that hangs around everything
you can admire in that girl
she's so damn beautiful

you'll see me rise again
you'll feel me fly again
you're so wonderful
I will be there by your side

I see before the race you've won
and jump ahead to find
you're so damn beautiful
I see before the race you've won
and jump ahead to find
you're so damn beautiful

what do you see in me?
are you quite proud of this make believe
feeling that hangs around everything
you once admired in that girl
you're so damn beautiful

I will see you rise again
and I will feel you fly again
you're so wonderful
I will be there by your side
you're so wonderful
I will be there by your side

I see before the race you've won
and jump ahead to find
you're so damn beautiful
I see before the race you've won
and jump ahead to find
you're so damn beautiful

What do you think of me
are you quite proud of this make believe
curtain that hangs around everything

you can't admire in that girl
she's so damn beautiful.
