So here it goes darling  
I just dont know darling  
For me to think baby  
We wouldnt last baby  
Cause in my mind darling  
I'm such a mess darling  
I made this hole baby  
I made this whole mess baby ,  
I'm sorry

But if you dont wanna see me again.

I'd understand  
I'd understand  
I feel too late to right my wrongs  
But I just hope you understand

I laid awake darling  
The past few nights darling  
I never felt baby  
The way i feel baby  
You might not know darling  
You mean so much to me  
I feel so incomplete  
I just cant explain  
I just cant explain  
Oh, oh

But it you don't want to see me again

I'd understand  
I'd understand  
I feel too late to right my wrongs  
But I just hope you understand

I feel too late to right my wrongs  
But I just hope you understand

I feel too late to right my wrongs  
But I just hope you understand

I'd understand  
I'd understand  
I feel too late to right my wrongs  
But I just hope you understand  
But I just hope you understand
