### "What Difference Does It Make?"

Visit "[What Difference Does It Make?](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It all comes over me  
I'd really like to see  
Why did you have to go  
I need to know  
I miss you so

If I could turn back time  
I would have changed your mind  
I'd never let you go  
I loved you so  
But still I know

What difference does it make if I still want you?  
When I know for sure that I cant make you mine, ooh  
What difference does it make if I still need you?  
When we already had waved that last goodbye,  
goodbye  
Goodbye-ye-ye-ye-ye

How was I to know  
When you sad you loved me so  
It all was make believe  
I tried to see  
Is it up to me?

What difference does it make if I still want you?  
When I know for sure that I cant make you mine, ooh  
What difference does it make if I still need you?  
When we already had waved that last goodbye,  
goodbye  
goodbye-ye-ye-ye-ye  
goodbye, goodbye, goodbye-ye-ye-ye-ye

ooh-yeeah

I tried to see  
Is it up to me

What difference does it make if I still want you?  
When I know for sure that I cant make you mine, ooh  
What difference does it make if I still need you?

When we already had waved that last goodbye,  
goodbye  
Goodbye-ye-ye-ye-ye

What difference does it make if I still want you?  
When I know for sure that I cant make you mine, ooh  
What difference does it make if I still need you?  
When we already had waved that last goodbye,  
goodbye  
goodbye-ye-ye-ye-ye  
goodbye, goodbye, goodbye-ye-ye-ye-ye
